Posted by: tdt -

FOR THE TEXAN

Guinness World Record Holder Parvaneh Moayedhi from San Antonio will begin her second consecutive Dustbowl Marathon Series of running five marathons in five days in Dalhart, TX, on March 25, 2015.

Parvaneh is racing to be the first woman in North America to complete 1000 races of marathon distance. The city of Dalhart has the unique privilege of hosting her 700th race.

"I really enjoyed my run here at Rita Blanca Park last year and I am looking forward to another wonderful race," Moayedhi said. "I have over 140 races scheduled this year and fortunately Dalhart fell into place for my 700th milestone."
